# Celebrating Cape Cod Women

Successful  
Cape Cod  
business  
women pave  
the way for  
the future.

In the following pages you will learn about the variety of businesses & services driven by women. Whether they work with their families, have set off on their own, created something from a seed of an idea or taken over a long family tradition, the women in these businesses have led their companies to great success.

As successful business women, these leaders are paving the way for future women-owned companies. Their entrepreneurial spirit has flourished in the creative environment of Cape Cod.

Whether you need to relax, remodel, decorate, invest,  
retire or raise happy healthy children,  
these businesses are great resources for you!
